

This is where San Marino is located.

San Marino is located on the Adriatic side of Italy. In San Marino their favorite sport to play is without a doubt soccer. This is because they have been taking part in international competitions since 1986! In San Marino, they like to eat Chinese, Indian and American cuisines, but they absolutely love to eat French and Italian cuisines.

This is San Marino's best place to go to, it is called Guaita and this is the fortress of Guaita, Beautiful! One of the best restaurants to go to in Guaita is a sushi bar called Temakeria sushi bar, here are one of the reviews.. "Really good quality sushi, brilliant"! Jeez now I really want to go here myself ;D

This is a photo of San Marino in its early days. The last battle to have ever occurred in San Marino was in 1463! A long time ago. The San Marino flag was actually taken (not stolen but taken) on April

6th, 1862. The blue colour on the flag represents the skies and the white represents the snow covering the MT.
